

What is EduPort?

EduPort is an innovative result management and processing result portal.

It is a web application that makes the process of compiling and releasing results easy for school administrators.

It also gives parents & guardians the flexibility to check their wards results anywhere.

Why EduPort?

With EduPort, your school will:

- ✓ Save cost from printing report cards and master sheets.
- ✓ Reduce the stress of teachers when filling the master sheet and report cards.
- ✓ Easy access for parents and guardians to check their ward's results anywhere, on any device with internet access.
- ✓ Automatically store the school database (student's profile and results) on the cloud-based system forever.

Some other functions of EduPort

- ✓ Elimination of errors in existing manual processes
- ✓ Speedy processing of results and admissions
- ✓ Automated processing of the report cards and master sheets
- ✓ Transparency & integrity in our systems and processes
- ✓ Automatically compiled report card and master sheets (with principal's signature, student's pictures etc)
- ✓ No HTML or Web Programming experience needed by the users.
- ✓ Auto-arrangement, calculation and auto-generation of the master sheet at term end.

Termly Plan

PLAN	COST PER STUDENT PER TERM	SCHOOL PROFIT PER STUDENT (TERMLY)	EduPort COST PER STUDENT (TERMLY)
Slip Pin	N1000	N300	N700
Front Page Card	N1500	N500	N1000
